INDEX 2018

INDEX OF SUBJECTS AND INDEX OF AUTHORS

FOCUS

Measuring impact – Why? How? For whom?	1/2018
Agroecology	2/2018
Gender equity – ways to reach SDG 5	3/2018
Rural-urban linkages	4/2018

SUBJECTS

	PAGE	ISSUE		PAGE	ISSUE
Agriculture			Development cooperation / Development policy		
Doing things differently: gender-transformative skills development in agriculture	17	3/2018	Healthy food for healthy people on a healthy planet. Germany's food policy in development cooperation	20	2/2018
White gold – Burkina Faso's fight for quality	41	3/2018	Agroecology has become economical. How SDC promotes agroecology	22	2/2018
Consumers as key drivers of change for sustainable rice production	37	4/2018	Digitisation		
Back to the soil – Tamil Nadu's rural youth return to organic agriculture	40	4/2018	More than plug-and-play – digital solutions for better monitoring & evaluation	24	1/2018
Agricultural policies			We need more than apps	36	4/2018
Is Europe's agricultural policy fit for development?	4	1/2018	Finance		
A self correction force – the 10 theses of the German Agricultural Society	24	2/2018	Financial literacy is key to sound remittances management	34	2/2018
Villagisation – better living conditions for the population or a pretext for land evictions? The case of Ethiopia's Gambela region	41	2/2018	Food safety		
Agroecology			GMOs in Nigeria – do the masses have a choice?	28	2/2018
Why we need an agroecological revolution	6	2/2018	Food security/ Nutrition		
The most convincing proposal for transforming unsustainable agro-food systems	8	2/2018	Remembering forgotten crops – developing new value chains	40	1/2018
IAASTD: from words to actions	11	2/2018	Rural women and food security – of myths and facts	12	3/2018
A pathway to achieving the SDGs – FAO's initiative on fostering agroecology	14	2/2018	Food systems		
Putting people at the centre of development. The holistic outreach of India's Timbaktu Collective	17	2/2018	Better food-systems for better rural-urban linkages	6	4/2018
Healthy food for healthy people on a healthy planet. Germany's food policy in development cooperation	20	2/2018	From small farms to big cities – leveraging food systems for ending hunger and malnutrition	10	4/2018
Agroecology has to become economical. How SDC promotes agroecology	22	2/2018	Food, nutrition and energy security in an urbanising world	20	4/2018
A self correction force – the 10 theses of the German Agricultural Society	24	2/2018	Gender		
Why agroecology doesn't scale up	26	2/2018	European Development Days – women and girls at the forefront of sustainable development	4	2/2018
GMOs in Nigeria – do the masses have a choice?	28	2/2018	Gender-transformative approaches to women's land rights	7	3/2018
Opting for the middle ground – blended sustainability as the way forward	29	2/2018	No sustainable development without women	8	3/2018
More inter- and transdisciplinary research is needed in agroecology	31	2/2018	The economic potential of gender equality	11	3/2018
Biodiversity			Rural women and food security – of myths and facts	12	3/2018
Preserving biodiversity in a cross-border context. A feasibility study for implementing an ecological corridor in Côte d'Ivoire and Liberia	38	2/2018	Measuring women's empowerment in agricultural development projects	15	3/2018
			Doing things differently: gender-transformative skills development in agriculture	17	3/2018
			Innovations for women's access to land	19	3/2018

SUBJECTS

	PAGE	ISSUE		PAGE	ISSUE
From German rural women for rural women in Ghana	22	3/2018	Small and medium-sized towns – an untapped potential for inclusive development? Insights from Bolivia and Nepal	26	4/2018
“I would like to be involved, but I just don’t have time”. Trail bridge access to Nepal’s remote communities	24	3/2018	The two sides of rural-urban migration. Remittance flows in Kyrgyzstan	29	4/2018
Access to justice for women in Tajikistan	27	3/2018	“Revitalising” China’s countryside – old wine in new bottles?	32	4/2018
It’s high time to end child marriage in Africa	30	3/2018	Nigerian potatoes – a one-stop shop from farm to fork	34	4/2018
“We must acknowledge women’s economic contribution and value it”	33	3/2018			
“Empowering women and girls is the best way to eradicate poverty and inequality”	36	3/2018	Plant protection		
Governance			Scientists wary of crop protection programme. Insect Allies to spread genetically modified viruses to crops	42	4/2018
Innovations for women’s access to land	19	3/2018	Sustainable development		
Health			European Development Days – Women and girls at the forefront of sustainable development	4	2/2018
When too much closeness gets dangerous. The One Health approach	22	4/2018	Opting for the middle ground – blended sustainability as a way forward	29	2/2018
Land degradation			Consumers as key drivers of change for sustainable rice production	37	4/2018
Land degradation neutrality – a new impetus for addressing the degradation of land and soils	33	1/2018	Tourism		
Measuring land degradation needs to be done from the ground up	36	1/2018	Breaking the mode of demolition and reconstruction. An example from China’s “Happiness Green Village” scheme	36	2/2018
Livestock			Trade		
A missed opportunity for the dairy and meat market – a case study from Cameroon	14	4/2018	A missed opportunity for the dairy and meat market – a case study from Cameroon	14	4/2018
Measuring impact			Nigerian potatoes – a one-stop shop from farm to fork	34	4/2018
Improving development policies with impact evaluations	6	1/2018	Youth		
Randomised controlled trials and rural development – an abundance of opportunities	9	1/2018	Supporting youth in agriculture – evidence from Cambodia	38	3/2018
Randomised controlled trials – the gold standard?	12	1/2018	Nigerian potatoes – a one-stop shop from farm to fork	34	4/2018
Learning from participatory evaluations	15	1/2018	Back to the soil – Tamil Nadu’s rural youth return to organic agriculture	40	4/2018
Making people visible	18	1/2018			
Impact assessment in complex evaluations	21	1/2018			
More than plug-and-play – digital solutions for better monitoring & evaluation	24	1/2018			
Monitoring results of agricultural and food security projects: the indicator challenge	26	1/2018			
Using standard indicators – opportunities, challenges and risks	29	1/2018			
Corporate-level impact measurement – IFAD’s experience	30	1/2018			
Mechanisation					
A small effort and a big impact – from pedestrian to tractorable bridges	38	1/2018			
Rural-urban linkages					
Better food-systems for better rural-urban linkages	7	4/2018			
From small farms to big cities – leveraging food systems for ending hunger and malnutrition	10	4/2018			
A missed opportunity for the dairy and meat market – a case study from Cameroon	14	4/2018			
Push and pull relations between villages and cities from a rural perspective	17	4/2018			
Food, nutrition and energy security in an urbanising world	20	4/2018			
When too much closeness gets dangerous. The One health approach	22	4/2018			
Achieving sustainability with a regional planning approach. A case study from India	24	4/2018
